

Wishing You a Happy Thanksgiving from Joshua, TX

Just a quick note from all of us at CMDT LLC in Joshua, Texas.

We're closing the shop a little early this week to eat too much turkey and watch football with the family... and we wanted to say thank you.

Thank you for trusting us with your custom fiberglass projects over the years.

We're grateful for customers like you and look forward to helping with whatever you dream up in 2026.

Wishing you and your team a safe, relaxing, and very Happy Thanksgiving!

Talk soon,
The CMDT Family
(Founded 2008 – still family-run and still in Joshua)

P.S. The shop re-opens Monday, December 1st. Reply anytime if something is on your mind – we're never too full of pie to talk fiberglass 😊
